### ***Action Group for Palestinians of Syria***

*The documentation team of AGPS announced that they documented, till the end of last October, information about 41 Palestinian Syrian refugees were killed outside Syria, including 15 in Egypt, 6 in Malta, 6 in Greece, 4 in Lebanon, 3 in Palestine, 2 in Turkey, 2 in Italy, 2 in Libya, and a refugee in Sweden.*

*Most of them were killed while trying to reach Europe escaping of the ongoing war in Syria, and it is worth mentioning that there are a large number of missing people in a boat that was sank in the Mediterranean at the beginning of October 2013, where hundreds of Palestinian Syrian refugees, who were on this boat, are still missing.*

### ***Recent Updates***

*Bombing with explosive barrels targeted the vicinity of Khan Al Sheih camp in Damascus suburb and targeted the adjacent farms which led to a state of anxious, while the roads that link the camp with the city center are still closed except for Zakia- Khan Al Sheih. In terms of living aspect, the residents are still suffering of securing food supplies and fuels which are rare in the markets.*

***Bombing targeted the vicinity of Khan Al Sheih camp***

*In the same context, the water cut for the houses of the Yarmouk camp is still continuing for 83 days respectively, prompting most of relief agencies to use the artesian wells for securing water, despite the difficulties of operating it, especially with the blackout and the scarcity of fuel needed to operate the generators.*

#### ***The water cut in Yarmouk camp***

*The regular army and groups of PFGC are still imposing strict siege for 513 days respectively, while the siege resulted in the death of 157 victims. Meanwhile, most of the Palestinian camps are complaining of severe shortage of health services, as all hospitals have stopped working since the beginning of siege, more than a year and a half, except for Palestine hospital, which is working with minimum capacity.*

*As for Khan AL Sheih camp, the only hospital adjacent to the camp was closed for about a year and only an UNRWA clinic is working and provides simple health services, while this suffering is exacerbating at Daraa camp south of Syria, since the repeated shelling led to a destroy of 70 % of the camps' buildings, which resulted in the stop of all medical and relief services.*

*In Qudseia, the Charity Committee for the relief of Palestinian people has distributed 100 of baby milk cans and diapers in an attempt to alleviate*

*the economic burdens of the Palestinian families who were displaced from their camps to Qudseia.*

*Aid distribution Qudsaya town*
