### **RECENT UPDATES**

*The rest of residents inside Daraa camp Complain about of the lack of any hospital or medical care inside the camp, and the acute shortage of medicines and materials of first aid and medical equipment, in addition to the lack of ambulances to transport the injuries to receive medical treatment outside the camp. Jordanian Authorities refuse entry of any Palestinian refugees from Syria even the injuries.*

*Regarding this deteriorating health situation; activists from inside the camp, warned of the spread of disease among the people, as residents have to use contaminated drinking water, since the running water has been cut for (599) days.*

*In a different context; pro-regime websites reported current preparations to form a new Palestinian military faction called the "Sons of Yarmouk" to be spread out over the camp, while the AGPS could not ensure the authenticity of this news.*

*According to those sources, the new faction includes Palestinian militants from the Yarmouk camp whether from those who are still live inside the camp, or from the displaced families, pointing out that the new faction is planning to spread out within the camp in accordance with the Syrian armed opposition and the Syrian regime.*

*It should be noted that there are conflicting information about evacuating ISIS' forces from the Yarmouk camp which controls it since last April, while no official statement was issued from the Syrian government or ISIS so far.*

*In Lebanon; dozens of Palestinian refugees displaced from Syria had organized a sit-in front of the Canadian embassy in Beirut to demand legal immigration, as a result of living, legal and economic miserable conditions they are suffering from.*

*The refugees delivered a message to the Canadian Embassy in which they expressed their desire to immigrate after they lost all their possessions in Syria due to the ongoing conflict, and about their deteriorating living*

*conditions in Lebanon which pushed many of them towards irregular migration and riding the death sea boats.*

*According to the protesters, the (UNHCR) and the Western embassies should allow the Palestinian refugees to immigrate legally after the Lebanese government "closed all the doors in front of them" and led them to such conditions.*

*In a different context the Committee of the Palestinians-Syrians in Lebanon, in cooperation with the Al-Quds charity distributed winter clothes to families in Al-Baddawi camp near Tripoli in northern Lebanon.*

*It is worth mentioning that the number of Palestinian-Syrians who live in Al-Beddawi camp estimated at (850) family out of (42.5) thousand in Lebanon, which recently, unofficial statistics pointed out a decrease in this number to 33 thousand.*

## **STATISTICS**

*Statistics of the AGPS pointed that 37.30% of the Palestinian victims during the second half of 2015 were from the military, (66) Palestinian victims were killed during the fight between the regime and the armed opposition as follows: (59) pro-regime victims and (8) pro-opposition victims.*

*The monitoring and documentation team in the AGPS mentioned the following details: (7) of the refugees were killed while fighting alongside the Syrian armed opposition forces, (19) refugees were killed during fighting alongside the Syrian regime, (13) victims belong to the PFLP-*

GC, (16) are conscripted in Palestinian Liberation Army PLA, (9) others belong to Al-Quds Brigade, and two from Fatah al-Intifada movement.

The AGPS has documented more than (3097) Palestinian-Syrians who were killed during the war in Syria so far.
