### **Victims**

*The Refugee Abdu Al Dames from Al Sbeina camp died while he was on his way to work by a sniper's shots in Damascus. The death of Abdu raises the death toll of the sniping victims since the beginning of the ongoing conflict in Syria to 297 refugees, according to the documentation of AGPS.*

### **Recent Updates**

*UNRWA Commissioner-General Pierre Krähenbühl called for more steps towards the safety and protection of Palestine refugees at a time when the armed conflict in Syria is continuing to place in grave danger civilians in Aleppo, in Khan Al shieh, in the Yarmouk-Yalda area, and to facilitate to reach those who are in a real need of assistance.*

*Mr. Krähenbühl said “International humanitarian law and the obligation to respect and protect civilians in Syria, including Palestine refugees, must go beyond reminders in statements. They need to be practically implemented, to save lives and protect dignity,”. He added, “It is imperative that the extraordinary trauma inflicted by so many civilian deaths and injuries be brought to an end as part of a political resolution of this conflict.”*

*He insured that UNRWA's work concentrates on providing urgent assistance in various forms to the Palestinian refugees in Syria such as*

*food, health, and financial aid and praised the Syrian Government efforts especially in education. He also referred on the importance to shed light on the education efforts by UNRWA especially in conflict times everyone is concentration on food aid.*

*Mr. Krähenbühl added that he is proud of UNRWA work in education field. He stressed that UNRWA will continue looking for means to satisfy the needs and to face the obstacles through performing visits to different areas in the world. He also appealed for protection and respect for UNRWA staff, who daily face significant risks in the course of their work.*

*It is referred that the Palestinian Refugees in Syria live in difficult and miserable situations in light of displacement, high prices, and high rents and addition to the detention and the fall of victims due to the ongoing conflict.*

*In Southern of Damascus, local sources from Yarmouk camp insured that "ISIS" opened the road leading to Ein Ghazzal street in front of civilians from 12 pm to 2 pm. This came after ISIS imposed its siege on the*

*residents last Friday morning and its siege on the residents who live in Fath Al Sham front areas in Al Rija Square. The local outlets continued that ISIS banned the residents to enter food and medicine to their besieged areas and it only allowed the food and water to its areas.*

*The sources added that the Relief office in the camp reached to an agreement between the two conflict parts ISIS and Fath Al Sham "Nusra Front" to open the road in front of Ein Ghazzal street besieged residents by ISIS.*

*More than 50 families live in the area from the residents in addition to the families of Fath Al Sham fighters' families where ISIS "ISIS" prevented the residents to enter food and basic materials as to pressure Fath Al Sham members to leave the camp. In the same context, the Regular Army and the PFGC continue to impose siege on the camp for 1150 days respectively and the power cut for more than 1211 days and water cut for 700 days respectively. AGPS documented that 187 victims from the camp died due to hunger and lack of medical care and they also banned the medical materials and equipment and other materials.*

*In a different context, the Syrian Security released the Palestinian Young man Ibrahim Haninu from Al Nairab camp in Aleppo after three years of detention. It is noted that Haninu was released a year ago but they arrested him while he was on his way back to the camp by the Regime members in Hama.*

*It is mentioned that the Syrian Security forces continue to arrest about 86 refugees from Al Nairab camp and according the AGPS documentation the overall number of the Palestinian detainees in the Syrian prisons is 1090 detainees.*

### **Lebanon**

*Spark Development Organization declared that it offers more than 300 scholarships to join the Vocational Education Institutes in Lebanon for 2016\2017 for the Syrian and Palestinian students in addition to the Syrian Palestinian students in Lebanon.*

*Spark scholarship offers vocational training for two years in different specializations and the student will get a credited certificate where it*

*opens the future for new job opportunities. Spark added that the scholarship includes the living costs during the two years of study.*

*Please press the following link for further information about the scholarship:*
