### **Recent Updates**

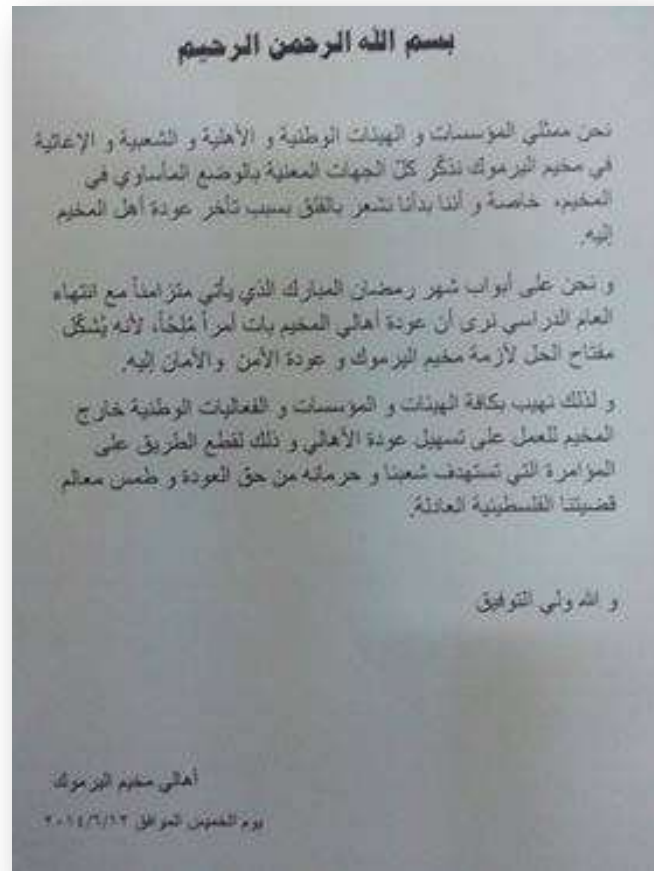

*National, popular, civil and relief organizations of Yarmouk camp concern about the delay of Yarmouk refugee camp residents return to their homes, where the organizations considered, in a statement, that allowing people to return has become a matter of urgency, especially with the approach of Ramadan, and the end of the school year. The statement pointed out that residents return is the key to the crisis solution, calling on all bodies, institutions and national events, outside the camp, to work on to facilitate the return so as to failure the plot targeting the Palestinian people and the denial of the right of return, according to the statement.*

*In a related context, distribution of aid in Yarmouk camp is still stalled for the fifth day respectively, amid resident's protest on the continuation of the siege, in addition to their rejection of the degrading practices which they face by the members of the Popular Front - General Command and the Syrian security forces during the distribution of aid.*

*Yarmouk camp residents expressed, through a statement published several days ago, their refusal to receive aid, protesting against such practices.*

*It is noteworthy that the Regular Army and groups of the Popular Front - General Command impose a strict siege on the camp for more than ten months.*

*On the other hand, eastern cemetery of Khan Al Sheih camp has been targeted with explosive barrels, which led to a large destruction hit the graves, as warplanes targeted sides of the camp with several raids targeting Sharaf street, coincided with heavy shelling on the surrounding areas. The camp and its vicinity witnessing a rise on military actions during the past few months, while Al Nairab camp in Aleppo was targeted with a number of shells that landed in the vicinity of Palestine Mosque, and information about injuries.*
