Recent Updates

Heavy artillery shells targeted different places of Dara'a camp causing massive destruction of civilian homes.

In terms of life conditions, the remains families suffer of several live crises, most important is water cut and the severe shortage of medical

services due to clashes and repeated shelling, which led to the destruction of wide parts of the camp.

It is mentioned that a big number of families were forced to displace from the camp because of the repeated shelling, where a lot of families were displaced to neighboring towns.

On the other hand, explosive barrels targeted Handarat camp in Aleppo, where four barrels fell on the camp and its vicinity, it is worth mentioning that the camp are controlled by groups of the Free Army, while a big number of families were obliged to displace from the camp because of the repeated shelling.

Meanwhile, heavy explosions were heard in Khan Al Sheih camp in Damascus city resulted in the bombing of the surrounding farms by explosive barrels, causing a state of horror and tension amongst people. The camp witnessed a great tension during the past three days because some groups affiliated to the opposition broke into the camp and shot fire and arrested a number of civilians to unknown destination.

Clashes broke out yesterday in the Yarmouk camp in Damascus city between the armed brigades and some groups affiliated to the Islamic state in Iraq and Levant known as Daash. The clashes end up with the escaping of Daash military groups, and resulted in the death of the young man Abu Al Khair AL Khatib.

Limited quantities of aid were distributed in the Yarmouk camp to the besieged residents for more than a year.

Meanwhile, Al Nairab camp has witnessed distribution of more than 1000 food meals included quantities of meat and food cans, it is mentioned that the camp is under the control of the Regular Army and Palestinian groups loyal to it.

The Yarmouk camp which has a strategic location because of its proximity to Alnairab military and civilian airports, had been repeatedly shelled during the past periods.

Distribution of aid in Al Nairab camp

Lebanon

Lebanese authorities continue restriction on the Palestinian Syrian refugees despite the difficult humanitarian situations they live in, which forced most of them to leave their camps.

Lebanese authorities still preventing the entry of Palestinian Syrian refugees to its lands, as it issued, previously, strict conditions for the entry of the Palestinians of Syria almost do not apply to one of them, without taking into account the circumstances of what they live because of the exceptional humanitarian situation in Syria.

The Lebanese General Security has deported dozens of Palestinian refugees to Syria, under the pretext of trying to travel to one of the Arab countries with forged travel visas.

In a related context, the Lebanese General Security continues to refuse to extend the residency of many Palestinian refugees who are on Syrian territory under the pretext of the absence of regulatory decisions for it.

Civil Work Committees

Palestine Charity Committee for the relief of Palestinian people distributed a number of food baskets to the residents of Al Aedein camp in Hama and to the displaced people who are in shelter centers inside the camp.
