### **Victims**

*The Palestinian refugee woman "Nadwa Hussain Elwan", was born on 1943, died due to dehydration, malnutrition, and lack of medical care due to the continuous siege imposed on the Yarmouk camp residents for 566 days respectively by the regular army and the GC groups, raising the victims toll, who died due to siege, lack of medical care, and starvation, to 162 victims.*

### **Recent Updates**

*4 air raids targeted the adjacent areas of Khan AL Sheih camp, one of them targeted the camp's cemetery and resulted in a mass destruction, causing a state of panic and tension among the residents for fear of being targeted.*

*In the same context, the regular army checkpoints tighten its procedures near Koukab town in Damascus suburb, as they prevented the resident of having more than 8 loafs of bread, and in case they have more, the members is to confiscate the bread.*

*According to our correspondent, the checkpoint members prevent the residents of fill their car tanks with fuel, as they force the residents to empty the car's tank except for very little quantity barely enough for moving in order to prevent any quantities of fuel to reach the camp.*

*On the other hand, violent clashes broke out yesterday at the Yarmouk camp south of the Syrian capital at the conflict areas at the entrance of Rama street between the groups affiliated to the Syrian armed opposition and the regular army alongside with the Palestinian groups.*

*Meanwhile, hundreds of residents gathered and waited for many hours hoping to receive urgent food aids which was supposed to be distributed and which were suspended for about 6 weeks, amid recriminations between the conflict parties of assuming the responsibility of clashes that led to the suspension of distributing the aids.*

*Yarmouk residents gathered hoping to receive food aids*

*In Aleppo, a number of drivers stopped working due to the scarcity of fuel, which caused a severe transportation crisis, after the passenger ticket price has reached almost 1\$, which exacerbates the residents' suffering, who are mostly unemployed.*

*It is mentioned that the camp, which is controlled by the regular army, constitutes a strategic point due to its approaching to Al Nairab military airport.*

*On the other hand, a group of Palestinian activists called for a solidarity sit-in for the Yarmouk camp and for the Palestinians of Syria, entitled "Save the Palestinians of Syria", on 24th of January on the German city of BRANDENBURGER, Berlin Gate, at 12:00 pm.*

*Meanwhile, the media office of the Swedish Immigration Department confirmed, in an official statement of a Swedish media network, that Sweden will refuse granting asylum to the refugees coming from Greece, in case they have residence permit there, due to the fact that they have already attained protection from one of the European Union countries.*

*Yet, the department did not mention that the refusal will also include those who have fingerprints, as it is known that Sweden ignore that and grant protection for most of the refugees coming from Greece, unless there are no other reasons.*

*It is worth mentioning that the AGPS collected statistics confirm that the number of the Palestinians of Syria who reach Europe is almost 30,000 refugees.*

### **Civil Work Committees**

*Within the continuing water cut for 136 days respectively, the services teams of Palestine Charity Committee continue its work to secure water for the residents of the Yarmouk camp within the water project implemented in the camp. The Committee provided the public facilities with water; such as Zaid Ibn Al Khattab mosque and the medical compound of Palestine Charity Committee in addition to the water stations that were distributed at the streets and lanes of the Yarmouk camp by the Committee.*

### ***Action Group for Palestinians of Syria***

*The AGPS issued the translated English version of its documentary report of the Palestinian victims who died in Syria till the end of 2014, as the group managed to document 2596 Palestinian victims died due to direct reasons; such as shelling, clashes, torture, explosions, and siege, and due to indirect reasons; such as drawn while trying to reach Europe by the so-called death boats.*

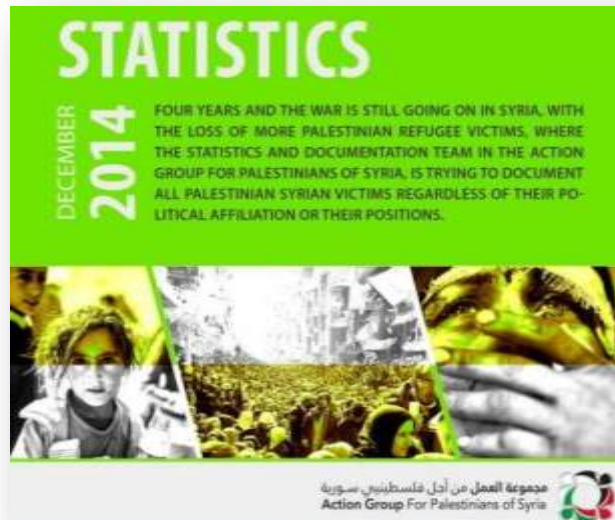

*The victims were distributed all over the Palestinian camps and compounds in Syria; such as Daraa in the south, Khan Dannon, Khan Al Sheih, Al SayedaZainab, Jaramana, Sbeina, Husseneia, Al Aedein in Homs, Hama, Al Raml, Handarat, and Al Nairab in the north, in addition to the victims who died outside their camps all over the Syrian cities, and those who died outside Syria.*

*The group indicates that its report is concern about documenting the statistics of the Palestinian refugee victims in Syria since the beginning of the events till the end of 2014, as it does not concern about identifying the doer directly.*
