### **Victims**

*The Palestinian refugee Mahmoud Zuhair Abed Al Mahmoud 30 years old from Yarmouk camp died by a sniper while he was on the balcony of his house at Yarmouk street in front of the Yarmouk Secondary female school entrance. It is referred that the Syrian Army and the Palestinian groups affiliated to the Army are hiding in the buildings in front of Yarmouk street and using the buildings to sniping, where the Regular Army and the PFGC still siege the camp since 726 days respectively and they cut the electricity for more than 796 days and water for 286 days respectively. The AGPS documented that 277 Palestinian refugees died due to sniping during the ongoing war in Syria. In Turkey, the Palestinian refugee Hanaa Abdel Qader "Um Foad" from Yarmouk camp died drowning in the sea after their boat sank in front of Bodrum city on the southern-western coast of Turkey while she was trying to reach Greece.*

### **Death boats**

*62 immigrants from Syria were on the boat that sank on Monday Tuesday night and led to the death of a woman and a child and losing 4 others. The Turkish coast guards rescued the remaining immigrants including*

women and children. It is mentioned that thousands of Palestinian refugees escaped from Syria and left their camps after they were bombed and destroyed and tens of them died during their trip to cross to Europe by either by sea or by land.

### **Recent Updates**

*The Syrian warplanes targeted yesterday a number of Palestinian camps and compounds and their vicinity in Syria, where the AGPS monitored that Daraa camp , Al Muzareeb compound and the vicinity of Khan Al Shieh camp for Palestinian refugees were targeted with explosive barrels and shells.*

*In South of Syria, the warplanes targeted Daraa camp for Palestinian refugees with two raids, coincided with targeting the camp with two explosive barrels, which led to huge destruction in the place. It is referred that Daraa camp was exposed to frequent bombing which led to destroy about 70% of its houses and buildings, where the remaining refugees inside the camp live in difficult situations manifested in the two aspects health and living.*

*Near Daraa camp, the warplanes targeted Al Muzareeb compound with one explosive barrel , Al Muzareeb is located 11 Km far from the Daraa camp south of Syria, about 8500 Palestinian refugees live at the compound. The bombing led to a number of victims and injured people in addition to the wide destruction of houses and properties.*

*It is mentioned that AL Muzareeb town witnesses a state of worry and tension due to the continuation of its bombing with explosive barrels which led to a number of victims amongst civilians , where several months ago , the bombing of the a children school resulted in a number of injured people amongst the civilians most of them are children.*

***The warplanes targeting Al Muzareeb compound.***

*In Damascus Suburb, Khan Al Sheih camp for Palestinian refugees witnessed since the yesterday morning warplanes hovering, where the warplanes targeted the adjacent farms and areas with five explosive barrels, which damaged the place and caused a panic state amongst the residents fearing to be affected of the bombing.*

***The warplanes targeting Al Khan Al Sheih camp.***

*Khan Al Seih camp was exposed during the last days to the most violent wave of bombing with explosive barrels, where the warplanes bombed the camp with more than 20 explosive barrels which led to the death of a woman and her fetus due to the shrapnel of shells and a number of wounded people amongst residents of the camp.*

*In a related context, the AGPS correspondent at Latakia on the Syrian coast reported that a member of the Regular Army checkpoint which is near Al Raml camp at Latakia ripped the picture of Yasser Arafat apart that was on a resident car and also cursed the Palestinians, the correspondent said that the news reached the leaders of Fateh movement at Al Raml camp in Latakia and they communicated the security branches and the leadership of Al Bath party at Latakia to send their objection towards those behaviors.*
