Recent Updates

A number of mortar shells targeted the Yarmouk camp in Damascus for the second day respectively, which targeted different parts of it, while clashes broke out between members of the regular army along side with groups of the Popular Front - General Command and the opposition groups near Palestine Street. The clashes led to the death of a member of the Popular Front and this tension resulted in the stop of aid distribution to the people who are trapped for more than a year.

The Syrian security forces arrested the headmaster of Abdul-Qader al-Husseini school, during his exit to the entrance of the camp near the point of food aid distribution at Al Righa yard, it is noted that he supervised the education of the secondary school students, and made great efforts for that, inside the besieged camp until the students are able to get out of the camp to perform the examinations.

One of the injured by the shelling in Yarmouk camp

Meanwhile, a state of careful quite prevailed Khan Al Sheih camp in Damascus city coincided with sounds of explosions caused by the bombing of neighboring areas with a number of shells.

On the other hand, members of the Syrian security forces and factions loyal to arrested the student "Moamen Jawhar" from Al Nairab camp in Aleppo during his return from the University of Aleppo, it is referred that the camp is under the full control of the regular army and Palestinian factions loyal to it. The camp is considered an important strategic point because of it is close to the Neirab military airport.

Moamen Jawhar

People of Al Raml camp complain of unemployment widespread in their camp, especially with rising food prices and the high cost of rents houses. The youth of the camp, especially those who are in the age of compulsory military service, are living a state of anxiety for fear of being arrested by the security checkpoints scattered throughout the city, where the difficult circumstances that prompted many of them to leave the camp and go to neighboring countries in a bid to reach Europe by sea.
