### ***Recent Updates***

*A military helicopter was crashed yesterday evening over Alnairab Camp in Aleppo, after being hit with one of the missiles, which led to the explosion and falling its wreckage on civilian homes, which resulted in at least one victim and more than a dozen injuries, including dangerous cases as well as a number of missing and significant damage in homes and properties of people, while a number of them are still trapped under the rubble, and it referred that the regular army and security groups have imposed a security cordon on the place and prevented the entry or exit of any person from it.*

*On the other hand, a number of people got out of Al Neirab camp yesterday afternoon in a solidarity march with the Gaza Strip, where they*

*raised Palestinian flags and chanted slogans rejecting and condemning the aggression of the Arab and international silence toward the heavy shelling that targeting the strip.*

***Solidarity with Gaza in AlNeirab camp***

*Warplanes also targeted Al Muzeireeb town in Daraa camp with two explosive barrels, which led to massive destruction of civilian homes as well as the a number of wounded, with no details about victims because of the tense situation in the region, while hundreds of Palestinian families live in that town. Two shells targeted the Yarmouk camp yesterday one of them fall on a building in the main street and the other near Palestine square.*

***Effects of the shelling on Muzeireeb town***

*Hundreds of the Yarmouk residents participated, after al Jomaa prayer from Palestine mosque, in a demonstration to support Gaza people against the Zionist aggression. The protesters condemned the Arab and international silence about the ongoing situation and genocide in Gaza; they also expressed their anger about Arabian defeatist situation for not supporting Palestinian refugee cases.*

*In another hand, the distribution of aid continued to the besieged people, while the Charity Committee for relief of Palestinian people has entered 1200 food, vegetables and fruits baskets and 1150 bread dozen on addition to infant milk. The Charity Committee continues its work within Iftar project to prepare 200 meals.*

*In terms of medical aspect, Palestine Red Crescent Assembly received various groups of children vaccines from the General commission for refugees and Palestine embassy. The medical team of Palestine Red Crescent continues its precaution work in the Yarmouk camp within the vaccine campaign against, poliomyelitis awareness, cleaning, the right healthy behavior and drinking water disinfection while the team has finished from the disinfection of the water of, Al Oroba, Al TAqadom and Al Magharba eighth neighborhood, the vicinity of Palestine mosque, Ein Gazal Street ends up with Al Righa square.*

***Aid distribute in Yarmouk refugee camp***

*The camp is besieged by the Syrian Regular Army and the Palestinian factions loyal to it for more than a year, where the army prevents the return of its displaced residents and the entry of the camp's needs while clashes, fights and arrests are still there between armed brigades inside the camp once in a while.*

*Bombing targeted Khan Al Sheih camp in Damascus city, as a shell landed near Al Makhfar Street resulted in material damages. Explosion sounds were heard in the camp, turned out to be resulted in the bombing of adjacent areas.*

*The only boarder with the camp "Zakia" was reopened after being closed because of clashes and snipping, moreover, the residents of the camp suffer of acute shortage of water because the lack of power to operate water pumps, and the lack tankers inside the camp.*

### **Italy**

*Italian authorities arrested 5 persons after horrible accident, where about 100 refugees from Syria including Palestinians who were killed and their bodies were found with a child in a secret place on a boat. Witnesses on the boat which was coming from Tunisia, according to Daily telegraph newspaper "horrific events witnessed on the boat that carries refugees, mostly from Syria according to the newspaper.*

*fightings broke out on the boat between refugees and smugglers, where they throw 50 refugees in the sea and stabbed 60 others before throwing them to the sea.*

*The Italian police arrested a Palestinian, Saudi, two from Morocco and another Syrian with Tunisian smugglers on charge of murder after the body 30 people including a child, was found trapped in the engine room and they seem to have died of suffocation in the boat, which was carrying 600 people, most of them illegal immigrants from Syria.*

*According to the web sites, Malta had found 29 bodies in a wooden boat on Saturday in front of Lampedusa, located between Tunisia and Sicily,*

*while Italian relief authorities spoke about the death of a Syrian child who did not exceed one year, and the authorities in Italy and Malta talked about the initial outcome of 19 migrants died in the boat and another died while being transported to the island. According to the military authorities in Malta, the immigrants may have been killed "crushed to death" during the chaos on the surface of the boat or suffocated by gas exhaust according Italian relief entities but the details of the massacre will be unfolded later.*

*The boat which was sailing on adrift transported 600 people, most of them Syrians, according to Maltese authorities, before they stumbled by a Danish cargo ship in the water between Libya and Malta, 80 miles (148 km) from the coast of Lampedusa.*

*The Maltese military authorities requested for an immediate assistance from the Italian Coast Guard to rescue the 566 migrants who arrived survivors, including the parents of the child, to the port of Messina on board of the Danish ship which presented to them for help, but the boat stayed in Malta with the bodies of the 29 victims.*

### **Hungary**

*After weeks of food strike by the refugee Rakan Hussein, and after the rejection of the Hungarian authorities on being reunited with his children on the pretext of unrecognized their passports, Hungarian authorities recognized the children travel documents.*

*Mr. Rakan Hussein said, to our correspondent in Hungary, that he had received from the Hungarian authorities a mail telling him that the Hungarian authorities re-recognized the Syrian travel documents, and they set an appointment to see his children in the Hungarian Embassy in Turkey.*

*It is noteworthy that "Hussein" had begun a hunger strike in the middle of last month, where he sent several letters through the Action Group, which*

*has conducted several meetings with him, and many of the Arab and foreign activists who had shown solidarity with their cause.*

### ***Civil Work Committee***

*The Turkish Assembly of Solidarity with Palestine “Vidar” - Commission for the Palestinians in Syria, distributed relief assistance to the Palestinian families in the city of Istanbul, as the team of the Committee in the cities of Rihaniyya and Antioch established Iftar which was attended by a number of Palestinian Syrian refugees who are in Turkey.*

*It is noted that hundreds of Palestinian Syrian families were displaced to Turkey due to the bombing and blockade.*

***The Iftar for Palestinian refugee in Turkey***

*On the other hand, the Palestine Charity Committee in Dara'a camp continues the project "Iftar", as they distributed a number of meals to residents of Tabriaat and Tel Shehab towns.*

*In a related context, Charity Commission for the Relief of the Palestinian people distribute Eid gifts for about 100 orphaned children from Al Aedein camp in Hama, with the aim of planting a smile on their lips and alleviate their suffering.*
