### *Latest Developments*

*The National Coalition for Syrian Revolution and Opposition Forces unraveled a decision to transfer members of the White Helmets (Syria Civil Defense) from Yarmouk Camp to the nearby towns of Yalda, Babila, and Beit Sahem.*

*Those stranded in Yarmouk will reportedly be affected by the move in an area where the White Helmets represent the sole relief body which provides services to the wounded civilians, extinguishes wildfires, removes rubble, and secures water.*

*Several relief institutions and charities have gone out of operation in Yarmouk following ISIS execution threats.*

*Meanwhile, 80% of AlSbeina buildings have been subjected to quasi-total destruction, particularly in the area stretching from Muadh Ibn Jabal Mosque to the Kurds Oven, which makes the western entrance to the shelter.*

*Residents of AlSebeina Camp for Palestinian refugees in Rif Dimashq have been denied access to their homes via government-run checkpoints since November 7, 2013.*

*Bloody hostilities between the government troops and the opposition battalions in and around AlSbeina forced dozens of families to seek shelter elsewhere. The clashes culminated in a tighter cordon by the regime squads on all corners of the shelter.*

*In the meantime, Palestinian refugees from Syria in Lebanon have slammed the apathy maintained by relief institutions and charities vis-à-vis the tragic situation they have been made to endure in the Lebanese territories.*

*At the same time, the Lebanese authorities continue to rebuff appeals for renewing the residence permits of the Palestinians of Syria, blacklisting them as illegal immigrants and tourists. Palestinians from Syria are also denied the right to work in the Lebanese territories.*
