### *Latest Developments*

*The situation has gone for worse due to the visa-restrictions and entry-bans slapped by Syria's neighbors and several European states.*

*Meanwhile, Palestinian refugees from Syria sheltered on Greek islands have sounded distress signals over the exacerbated humanitarian conditions they have been subjected to.*

*Palestinian refugees in Greece have been enduring medical neglect and poor hygiene, along with the lack of relief assistance and the propagation of poisonous reptiles in the makeshift tents they have been locked up in.*
