### **Victims**

*The Greek coast guards found two corpse of “Mohammed Faris Owais”, was born on 1993, and his mother, who lives at the Yarmouk camp, near Alexander city at the Turkish borders.*

### **Statistics**

*The documentation and monitoring team of the Action Group for Palestinians of Syria revealed that the number of victims from Daraa camp south of Syria, since the beginning of the events in Syria, has reached 188 victims, including 107 were killed during the bombing, as 25 were killed by sniper shot, 3 were killed due to torture, 19 refugees were field executed, 7 were killed in unknown circumstances, 2 refugees were killed in a car bomb, one refugee was killed due to the lack of medical care, one refugee was burn, and a refugee from Daraa camp was killed by a white weapon.*

### **Recent Updates**

*The besieged residents of the Yarmouk camp are suffering increasingly with the entrance of winter, which forces them to use primitive ways for cooking and heating. The firewood became their only source in addition to some ways they innovated to get some fuel out of the Plastic, while this way only provide very small quantities of fuel cannot be used to operate the small capacity engines.*

*In terms of medical aspect, the temporary General Manager of PRC “Jamal Hammad” confirms that the Yarmouk camp is facing health, medical, and humanitarian difficult conditions that cannot be described. Kidney diseases are wide spread due to the infected water, inflammation of intestine, severe shortage of protein for children and elder people, as well as jaundice and dehydration for children, typhoid, Maltese, scabies and lice, especially in the ranks of schools that are a far cry from the general standards for school grades.*

*On the other hand, activists traded on the social networking sites video titled "Lebanese Hezbollah flag at the entrance of the besieged Yarmouk refugee camp south of Damascus ..." where the video shows a checkpoint of the regular army and groups of PFGC raising the Lebanese Hezbollah flag, which the activists considered it an evidence of the party's participation in the siege of their camp.*

*It is noteworthy that those checkpoints imposed siege on the people of the Yarmouk refugee camp for about "509" days, as the Action Group for Palestinians of Syria could not made sure of the video from another source.*

*Meanwhile, Khan Al Sheih camp for Palestinian refugees in Damascus suburb is suffering of the continued closure of all roads between it and the neighboring areas because of the shelling and repeated clashes taking place in towns and farms surrounding it, which forced people to take the road of "Zakia - Khan Al Shieh" Despite the risk of sniping and bombing, it is referred that during the past few months, many buses were targeted in this road.*

*In the meantime, despite the clearance of Husseneia camp in Damascus suburb of any armed groups of the Syrian opposition, and despite the complete control of the regular army since "411" days, however, some Palestinian groups loyal to it prevented the camp residents from returning to their homes since that time, where clashes that broke out*

*between the regular army and groups belonging to the Syrian armed opposition, forced them to leave their homes and flee into the neighboring towns and refugee camps and compounding which increased their economic burden.*

*It is noteworthy that the people of the camp has launched dozens of calls that appealed to the Syrian officials, the regular army and Palestinian factions loyal to it to allow them to return to their homes, but despite repeated promises, they were not allowed to return to their homes until today.*
