Recent Updates

People of Yarmouk gathered on the entrances of the camp after the passing of five days on the Yarmouk neutralization agreement. An atmosphere of optimism spread in the camp especially, after a member of the agreement initiative visited the camp. Mr Abu Khalid Ghazal made a round in the camp to make sure of the evacuation of the outside fighters.

The civil committees in the camp began to clean the Yarmouk Main Street and Al Reeja square. Damascus Governorate will clean the sand mound and open the roads of Al Bashir mosque side. Al Yarmouk camp witnessed an optimism and comfort status for solving their issue.

Al Nairab Palestinian refugee camp was exposed to bombings in a number of shells that targeted houses of people. The bombings caused material damages and no casualties. It is good to mention that any camp which is under the control of the Syrian Regular Army is always bombed by local missiles manufacturing. In a related context, the phenomenon of narcotics, calm and downers drugs is widespread in public at Al Nirab camp's streets.

The effects of shelling on Neirab camp

As for Alrml camp for Palestinian refugees in Latakia suffers of widespread of unemployment amongst the people of the camp in addition to the high of prices of food items and rent houses. In the same context Dara camp southern of Syria suffers of a lack of the basic health services because of the bombings that targeted the camp and caused complete damages in tens of people houses.

Hungary

The Hungarian authorities released a Palestinian Syrian family. The family was poisoned under the pretext of illegal entrance to the Hungarian territories. The Action Group correspondent mentions that the Hungary Police sent the family to a refugee camp waiting for the trial. Mrs. Marry Antonite, the Palestinian Ambassador in Hungary, expected that the Hungarian authorities will send the family to Serbia because the family refused to make asylum in Hungary.

In a related context, the group of MigSzol, a political active group that defends the rights of migrants, refugees and minorities, made a meeting in the attendance of Mr. Rakan Hussine and discussed the activation of Rakan's case and to try to make it public opinion case. The MigSzol requested the local media and journals to follow up the case and to highlight the suffering of all migrants from Syria.

The meeting which was held to discuss the issue of refugee Rakan Hussein

It is worth mentioning that Mr. Rakan had been on hunger strike after the Hungarian authorities prevented him to reunite with his children due to not recognition of their passports.

Civil Work Committees

The Charity Commission for the relief of Palestinian people distributed 350 food packages to the people of Khan Al Shaih and Khan Danoun camps. The volunteers of the Charity Commission started to prepare food packages to be distributed in the Yarmouk refugee camp.
