### **Recent Updates**

*A refugee was shot in the Yarmouk camp in Damascus during the distribution of aid, which the checkpoints of the regular army and the Popular Front - General Command that surround the camp over a year ago, allowed to enter the camp until they are distributed to trapped residents who suffer so much in order to sustain their livelihoods, especially after running out of most food supplies from the camp. This crossfire led to the stop of aid distribution, and states that "154" victims were killed in the camp due to malnutrition and lack of health services.*

*Heavy explosions rocked Khan Al Sheih camp in Damascus city resulted in the bombing of the adjacent farms with a number of explosive barrels, where the helicopters dropped five explosive barrels targeted Darousha area, Al Qusour farms and the vicinity of Al Zohour Street. This bombing was coincided with the artillery shelling of brigade 137 of the Syrian regular army toward several areas of the town of Khan Al Sheih, while it was fire shooting at cars on the road of Khan Al Sheih – Zakia. It is referred that the camp and its surrounding areas are bombed almost daily, which reflected negatively on the transportation, where the roads that connect the camp and the surrounding areas were closed except Zakia road.*

*On the other hand, the Libyan authorities have arrested three Palestinian youth during their trip to Europe, which started from Sudan and then to Libya that was supposed to end in Italy. The Libyan authorities arrested each of, Saber Mustafa al-Jaafari, Alaa Aziz and Bilal Al Sayed in the area Libyan “Al Zawya”. It is mentioned that the Libyan shores have become a destination for Syrian and Palestinian Syrian refugees to reach Europe.*

***The detained in Palestinian Libya***

*In a different context, the Action Group received reports about the drawn of a number of Syrians and Palestinian Syrians because of the disorder during the rescue operation. The refugees were on a boat, coming from Libya toward the Italian shores, the boat was carrying 320 migrants, and there is news about a number of victims amongst the immigrants. It is*

*noteworthy that many Palestinian Syrian immigrants drowned because of riding " death boats", and there are hundreds of Palestinian immigrants in Libya, Tunisia, Egypt and Turkey are waiting for those boats to bring them to Europe, to escape the conflict in Syria and the continuing tightening by Arab countries.*

*In the same context, the Group received news about the stop of a boat that was launched from Turkey last Friday to Italy, after running out of fuel, as the group knew that the boat was carrying Palestinian Syrian families and it had appealed to the authorities of Italy, but they do not respond under the pretext that it is closer to the Maltese coast.*
