### **Recent Updates in Syria**

*A number of shells targeted different areas at Neirab camp in Aleppo, which led to the destruction of a number of houses in addition to some*

*injuries, while distribution of food aid resumed in Yarmouk camp at Damascus to the besieged people. Aid contained amount of vegetables, fruit and bread.*

*It is noteworthy that the Regular Army and groups of the Popular Front – General Command are imposing a strict siege on the camp for more than ten months, thus, the camp suffers from a severe shortage of health services after the stop of all hospitals and clinics because of the blockade, with the exception of Palestine hospital, which work with its minimum energy due to lack of personnel and medical supplies.*

*Distribution of aid in the Yarmouk refugee camp*

### ***Living Conditions***

*Khan Al Sheih camp in Damascus city suffers from crises in bread and food basic supplies, due to frequent interruptions of the roads that connect the camp with the city center, causing disability to access basic material supply. The camp witnessed a lack of medical services after the closure of the only hospital, located near the camp, a few months ago, where UNRWA clinic works with its minimum energy.*

*Meanwhile people of Khan Dannon camp suffers from a lack of water and basic services as well high prices. It is noteworthy that the camp receives hundreds of Palestinian families who were displaced from their camps because of the siege and bombardment.*
